bonton[®]

Cooking Utensils

For Chef in Your Kitchen

Round generous corners for better cleaning & hygiene.

Handles designed for comfortable handling.

Thin walls makes it 40% lighter than other aluminium utensils.

Free from rough surface & burrs or sharp edges.

Collar as thick as base, Lids fit tightly

Brightness is the inherent quality of Aluminium.

Cover fit collar just right.

Wide flat heavy base results in heat loss minimum

Manufactured by
